Incidents of Note

- Criminal damage caused to the lock of NISA car park. A male parked his vehicle in NISA car park on 14/12 and when he returned to move his car late on 15/12 the car park was locked. The male has cut the lock off, causing irreparable damage to it and driven off. There is CCTV of the incident, and the registration of the vehicle is known and so the suspect will be dealt with. However, please can I remind people that NISA car park is for customers of the hop only and is private land owned by NISA, opened only by them for the public to use during shop opening times.

Next Surgery

- I'll be holding a surgery at The Cornerstone Café on Thursday 19th December 2024 at 10:30 hours whereby I will bring some crime prevention material to give away such as personal attack alarms, key chains and fraud prevention material.
- I'll also be holding a police surgery for the residents of Newington, Upchurch and Hartlip to pop along to at Holywell Primary school, Upchurch. This is your opportunity to come and discuss local issues in your area. There is parking available on site at the school.
